- New Business

- Chris – There have been some ongoing problems with the 440 repeater. Proposal made to replace the current repeater with a new one. Possibly a Bridgecom repeater because of their reliability and customer service.
Committee formed to check into pricing. Jason has offered to let club borrow his Bridgecom repeater for testing purposes. Thanks Jason!
The committee will report to the board at the December board meeting, and any proposals will be made to the full membership at the January 2021 meeting

Meeting Adjourned – at 20:05 hours
